Arriving to Your Appointment on Time

We care for so many patients that we really appreciate your timely arrival. Traffic in our area can be challenging, especially during rush hour. Please allow ample time to arrive.

No-Show Policy

Our goal is to schedule timely appointments as close as possible to the dates desired by our patients. Please help us by canceling, with a 24-hour notice, any appointment that you are unable to keep, so that another patient may take your time-slot.

Make an e-Appointment

You may visit our website to send an electronic request for an appointment in one of many departments and programs. The request will go to a representative who will be in touch with you within two business days. Please leave a window of time when it might be best to call you back. To access the "Request an Appointment" feature, visit childrenshospital.org/appointment.
